The Honorable Rosa DeLauro

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Maplewood Stormwater Resiliency Upgrades in fiscal year 2024. The entity to receive funding for this project is the Township of Maplewood, located at 574 Valley Street, Maplewood, New Jersey 07040.

The funding would be used to install multiple new stormwater subsystems that would be able to convey larger volumes of runoff while providing additional water quality treatment. The project is a valuable use of taxpayer funds because, currently, the Township experiences dangerous and life-threatening flooding due to undersized drainage collection and conveyance systems, exceeded gutter capacity, and minimal curbs.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mikie Sherrill
